**RESPONSE TO ELECTION/RESTRICTION REQUIREMENT**

Sir:

This paper is a response to the Office action dated April 28, 2005, having a shortened statutory period of one month, with this paper being filed prior to that deadline. The action repeats the restriction requirement in the action of December 6, 2005. As set out in our response dated February 7, 2005, which we mailed, but was not received by the examiner, applicant elects to prosecute claims related to Species I, as illustrated in Figs. 1 – 8. After due consideration, applicant believes that claims 1 – 20 are all readable on Species I and applicant elects to prosecute these claims in this application.
